

School Assembly:

An Air Quality Assembly could include:

- A school survey on methods of travel to school
- Information about Air Quality for the pupils (see our full Air Quality Toolkit for some local and national facts)
- Ideas on action around Air Quality
- Feeding back results of Clean Air Activities undertaken by

specific classes

- Launching school competitions e.g. to design a poster or banner for the school gates to reduce idling and encourage active travel
- Links to Clean Air Day local or national events:

<https://www.cleanairday.org.uk/>

School Survey

Conduct a “hands up” travel survey during your school assembly, recording the responses in the tables below. This will give a baseline of data, letting you see your progress as your Air Quality projects go on. It can be complemented by the Annual Travel Survey undertaken by Swindon Borough Council. For more information about this please contact: vjones3@swindon.gov.uk

Survey Date:	Number of Pupils Present:
School Year(s) Surveyed:	Class(es) Surveyed:

How do you usually travel to school?

Type of Transport	Count
Walk (including scooter, roller-skates, skateboard etc)	
Cycle	
Car or van to the school entrance (not sharing)	
Car or van to the school entrance (travelling with others)	
Park and walk (not sharing)	
Park and walk (travelling with others)	
Bus	
Rail	
Other	
Total	

How would you most like to travel to school?

Type of Transport	Count
